EXPAND YOUR PRINT ADVERTISING

WORLDWIDE DIGITAL

Double your advertising efforts, not your budget, and multiply your impressions.

With a single ad in an issue, you now reach both types of readers — those who prefer a digital version and those who still like to receive a print copy.

Same as the print version, **the digital edition opens up a wealth of opportunities** to expand the reach of your advertising — and take readers right to your URL — **FAST**.

Have a new product?

- Put a product sheet or video behind your digital edition advertisement
- Sponsor a digital issue
- Conduct surveys
- Add a multimedia blow-in card.

Digital Opportunities* Price per Issue (\$)
